

Create a Sculpture Trail

Give each child a malleable resource such as clay.

Can they create a sculpture from it? You can create anything you wish- use this [photo pack](#) for inspiration if you need it.

When they have all dried, display them either indoors or outside.

Provide other children with the 'My Journey on a Sculpture Trail' activity sheet. Can they find all of the sculptures?

My Journey on a Sculpture Trail

Can you draw a picture of all the sculptures you come across?
Can you also number them and write down a brief description?

1.

What do you like about this sculpture?

2.

What do you like about this sculpture?

3.

What do you like about this sculpture?

4.

What do you like about this sculpture?

Which was your favourite sculpture and why?
